READING

Genesis 1:20-23

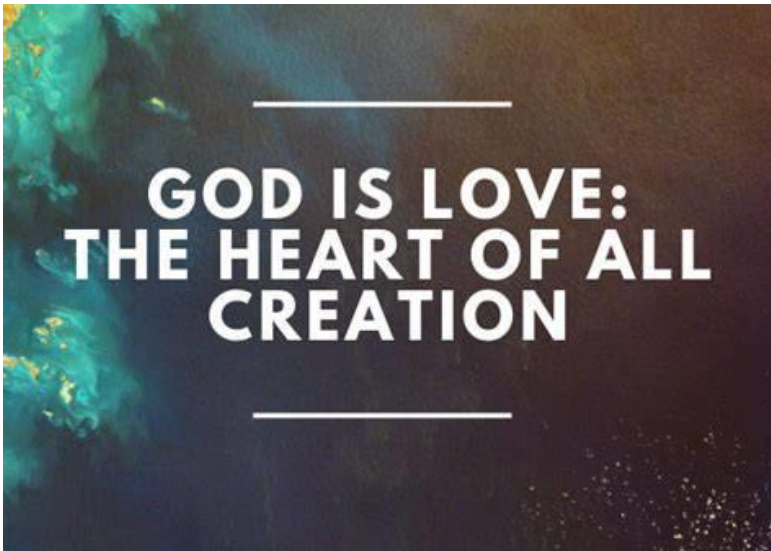

²⁰ And God said, "Let the water teem with living creatures, and let birds fly above the earth across the vault of the sky." ²¹ So God created the great creatures of the sea and every living thing with which the water teems and that moves about in it, according to their kinds, and every winged bird according to its kind. And God saw that it was good. ²² God blessed them and said, "Be fruitful and increase in number and fill the water in the seas, and let the birds increase on the earth." ²³ And there was evening, and there was morning—the fifth day.

PRAYER

Lord Thank You that You created
this wonderful world for us to live in.
We thank you for the creatures of the sea
And birds of the air
But thank You most of all Lord that You made us
To live in this world and to care for it
In Jesus Name

AMEN

SONG

I wanted to express all of My love, that's what I am
I wanted to reflect all of My glory in My creation

Here I am: I am the Author of all life
I turn the darkness into light
I hang the clouds upon the sky
And throw the stars into the night

I shut the sea behind its shores
To edge of night I bring the dawn
The hands of time are held by Me
To gates of death I hold the key
Yesterday, today, forever
Yesterday, today, forever

Long before the world began
I saw your faces, I knew your names
Just like a father loves his child
That's how I love you, so much love for you

Here I am: I made it all so you could be
In perfect harmony with Me
But with a falling angel's cry
Pride brought an end to paradise

And as through one all turned away
Yet through One all shall be saved
And just as sin reigned in death
So grace reigns in righteousness
Yesterday, today, forever
Yesterday, today, forever

And through My sacrificial child
to Me the world is reconciled
Confess His Name and you are seen
Through His blood that washes clean
And though you thought in death He failed

It was the reason that He came
But He died so to be raised
Now at My right hand He now reigns

I've promised He shall come again
To judge the living and the dead
And when that chosen day arrives
Shall all My glory fill the skies

All shall bow down to His Name, evil shall not live again
And you shall rise up to that place
I have prepared that now awaits
Yesterday, today, forever
Yesterday, today, forever
